

HRPA 2018

ANNUAL CONFERENCE & TRADE SHOW

HRPA Annual Conference & Trade Show #ACGames

HRPA Annual Conference & Trade Show #ACGames

The #ACGames contest is designed around a points-based system where delegates will accumulate points throughout the conference. The delegate who receives the highest total points will win our Grand Prize [TBD] and runners-up will win donated exhibitor prizes.

How Does the Contest Work?

During the three days of the conference, delegates will be able to enter codes that will award them points based on these completed tasks:

Exhibitor Onsite Contact [January 31 – February 2, 2018]

Scavenger hunt Onsite – 14 landmarks [January 31 – February 2, 2018]

Points: 50 pts for exhibitors, 100 pts for sponsors, 150 pts for scavenger hunt landmarks and 200 pts for tasks.

[Exhibitors, volunteers, speakers, HRPA staff and board members cannot participate in the games.]

Attendees receive points by interacting with trade show exhibitors. If the attendee is deemed to be a potential lead they will receive a points code from the exhibitor.

Prize Awards

Grand Prize: The person with the most points by Friday, February 2nd at 9:30 AM will receive the Grand Prize [TBD]. The winners will be announced at the Jobillico Booth at 11:00 AM. In the case of a tie, the individual who achieved their score first based on leaderboard records will be named the winner. This will apply to the entire leaderboard.

Exhibitor Prizing: Prizes provided by #ACGames exhibitor participants will be awarded after the Grand Prize, and are dependent on the amount of prizes provided from exhibitors. Starting with the second place runner-up and moving down the list, winning attendees will be awarded their prizes according to the final points standings. Winners will receive the prize at the Jobillico booth and will then participate in a photo op.
